CARLTON HAIR MOBILE APP

Carlton Hair's digital loyalty offers clients easier, faster and safer access to their loyalty rewards at their favourite Carlton Hair salons across the country. The app includes loyalty cards for hair and nail services, as well as Davines and Dear Beard products. And the best part is you receive 3 stamps just for completing your profile when downloading the app!

The app is available on Apple App Store and Google Play. Alternatively, SMS "CARLTON" to 33782. SMS charged at R1.50 per SMS or go to app.carltonhair.com

CARLTON HAIR CAPE TOWN WATER SAVING

The Carlton Hair SA Water Saving Campaign has 5 components dictating how we use water at the shampoo area, use mineral water treatments on our client's hair, reduce laundry, clean efficiently and provide mineral drinking water to our clients.

Carlton Hair's overall water saving initiatives are saving Cape Town 282 112 litres per month

CARLTON HAIR SA X CRISTEL HOUSE

At Carlton Hair SA, education is an important focus, which is why we've teamed up with Davines South Africa (the official partner of Education for Life) to sponsor our time and resources to the Education for Life project. Carlton Hair SA Educators have graciously offered their time to impart their hairstyling knowledge unto learners at the Christel House school in Cape Town.

Christel House transforms the lives of impoverished children around the world – breaking the cycle of poverty and building self-sufficient, contributing members of society.
