

It's is a very #Retro Holiday from Crabtree & Evelyn!

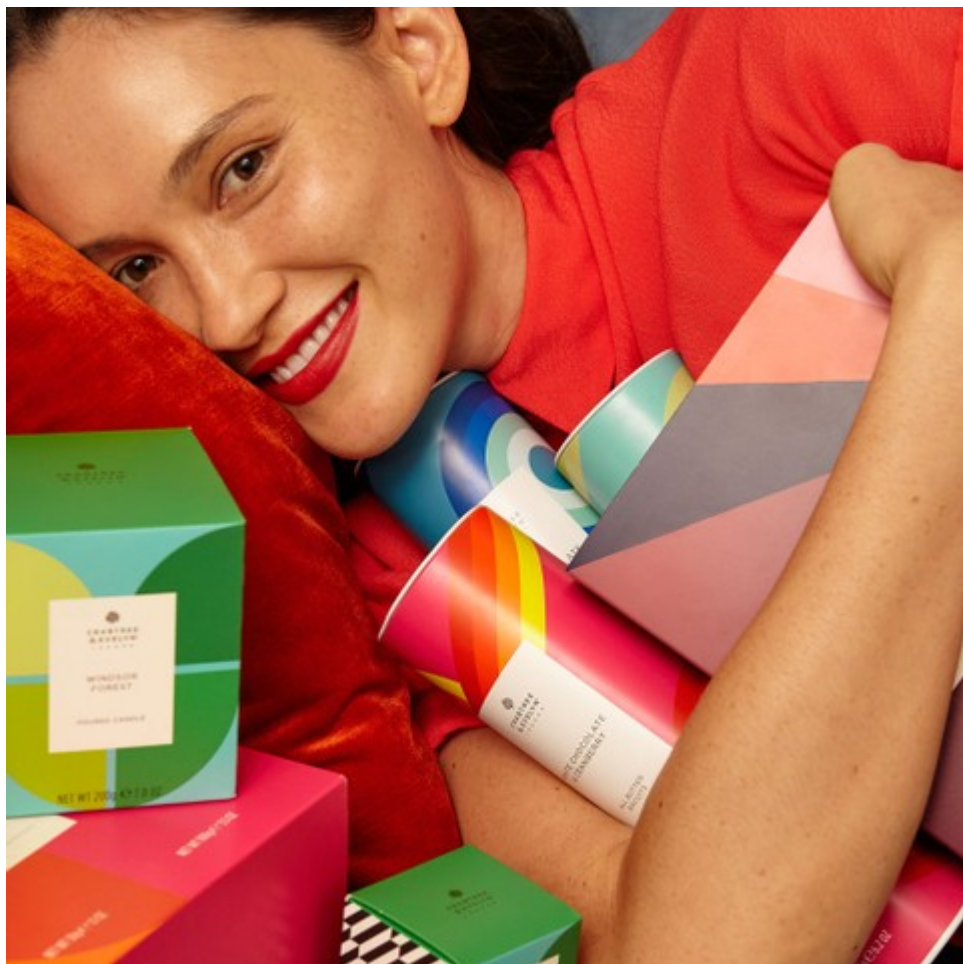

This year their Christmas collection takes inspiration from the stylistic and colourful 1970's and the famous Carnaby Street – and blends them with contemporary monochrome graphics.

Harking back to that era, there were vibrant clashes of colour, new cultures, exciting new music and a rebellious identity.

Shop Crabtree & Evelyn's quirky, colourful and as always, indulgent Holiday gifts now in-store at their Hyde Park store!
